

JULY 2ND @ 5:00PM **SAVE YOUR HEMLOCKS!**

Hemlock Woolly Adelgid Treatment Workshop

Join Port Sheldon Township, Ottawa Conservation District, and partners for a workshop featuring the invasive pest threatening local hemlock populations: Hemlock Woolly Adelgid (HWA).

Learn what treatment methods are available to landowners, watch demonstrations of treatment methods, and receive additional resources to aid in your self-treatment project.

Drew Rayner, West Michigan HWA coordinator, and Murielle Garbarino, West Michigan CISMA coordinator, will be present to provide their expertise, answer questions, and provide self-treatment recommendations.

**Hemlocks are under
attack in our area!**

**You can treat your
trees to save them
from this invasive
pest**

**The Township is
bringing in DNR
Representatives for
a FREE training**

**RSVP with the
Township office now**
